DETAILED ACTION

The preliminary amendment filed on 3/15/2004 and the information disclosure statement filed on 4/12/2004, both have been entered. Claims 1-21 are presented for examination.

Allowable Subject Matter

Claims 1-21 allowed.

The following is a statement of reasons for the indication of allowable subject matter: The prior art includes various method and techniques for programming or cloning bar code readers using batch commands, host commands and/or bar code menu. However, the prior art fails to disclose the specific method of programming the bar code reader to decode specific types of bar codes upon user's command including the steps of generating the encoding parameters, encoding the parameters into bar codes, reading and downloading programmed parameters into the bar code reader; and having the functions and characteristics as recited in claim 1.

The prior art also fails to disclose the limitations of claims 9 and 17.
